

EXCELLENCE IN LOCAL GOVERNMENT FINANCE AWARDS

*Help us acknowledge
and celebrate excellence!*

CALL FOR AWARD NOMINATIONS !!!

The Government Finance Officers Association of British Columbia (GFOABC), established in 1989, is a not-for-profit organization that represents local government finance professionals across BC. Our Mission is to promote excellence in local government through the support and development of our members. Our membership is comprised of over 1,000 individuals representing 160 municipalities and 28 regional districts across the province.

Overview:

GFOABC has five (5) Award Categories to celebrate outstanding achievements and contributions of local government finance professionals. We are looking for potential nominees for this year's selection process and what better way to find those worthy nominees among us, than by asking local government finance professionals from across the province?

The Categories:

The details of each category can be found on the GFOABC website. Please take a moment to check it out and think about an individual, team, or initiative that you think could be recognized.

The Nomination Process:

To nominate an individual, team, or initiative, a written nomination submission must be provided. The submission should outline the following:

- Select the award category that best fits the nomination.
- Explain why you would like to nominate the individual, team, or initiative for the award category.
- How has the individual, team, or initiative advanced local government finance?

Recipients will receive their award at the 2025 GFOABC Annual Conference.

Submissions will be accepted up to December 31, 2024
