

# Your Pension is Your Future Asset!

**Get to know your pension - whether you're just starting your job or retirement is just around the corner.**

As a local government employee, no doubt you have been paying into your Municipal Pension Plan. Do you understand how your pension works and how life events and career decisions can affect your pension? Whether you are new in your career, halfway through it, or nearing retirement, we want you to know how your pension can work for you.

## Guide for New Members

Welcome to BC's Municipal Pension Plan. As a member, you are eligible for a lifetime monthly pension when you retire.

## Your Member's Benefit Statement

Plan members receive a Member's Benefit Statement once a year. This vital document summarizes your annual contributions to your plan, pensionable earnings and service, and provides an estimate of your future pension payments.
